**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need broadband competition! Please keep laws in place that help smaller telecommunication companies stay competitive with the really large companies. Without healthy competition, consumers suffer from lack of choice as well as stifled technological advancement. We need to have a choice!
